

Laboratory Testing

Be in control of your own health

Follow these simple steps to get the testing you need.

1. Stop by Hospital Registration
2. Select the tests you want. No doctor's referral or order necessary
3. A member of our laboratory team will collect the specimen.
4. Results will be provided to you within a few days.
5. Cost savings to you when you pay with cash, check or credit card at time of service. This is not submitted to insurance.
6. Schedule an appointment with your provider, if you wish to review your lab results with them.

No limit on your personal healthcare
