

## January is Cervical Cancer Awareness Month

**Get informed.** Find out the facts about cervical cancer and the human papilloma virus (HPV) that causes it. Help educate other women in your life too.

**Get screened.** Cervical cancer screening typically starts at age 30 and is repeated periodically. Call the Cheyenne County Clinic at 785-332-2682 to schedule your appointment.

**Get vaccinated.** The HPV vaccine is given in 2 doses that should begin when a girl is between 9 and 14 years old. Call the Cheyenne County Health Department at 785-332-2381 to schedule vaccine appointments.
