Pfizer COVID-19 Vaccine for Children Ages 5-11 Now Authorized and Recommended

On Tuesday, November 2, the Centers for Disease Control and Prevention's (CDC) Advisory Committee for Immunization Practice (ACIP) approved "The Pfizer-BioNTech COVID-19 vaccine (2 doses) for children 5-11 years of age in the U.S. population under the FDA's Emergency Use Authorization." This authorization applies to all children ages 5-11, including those with underlying conditions and previous COVID infection.

If you wish to have your child(ren) 5-11 years of age COVID-19 vaccinated, then please call the Cheyenne County Health Department at 785-332-2381 to get signed up.
