

PARKINSON'S

"Moving to Live"

FALL CONFERENCE

SATURDAY, SEPT. 24
9a - 4p LUNCH PROVIDED
CITY LIMITS CONVENTION CENTER
2227 S. RANGE AVENUE, COLBY, KS

Who Should Attend

Anyone interested in learning about Parkinson's Disease, Essential Tremors, and resources should attend this educational conference. Medical professionals and specialists will learn valuable information from PD experts on how to better care for patients. Patients of PD and caregivers are especially welcome.

Keynote Presenters

- Dr. David VanSickle, MD, PHD, Neurosurgeon, "Improving Your Quality of Life"
- Dr. Luisa Solis-Cohen, MD, Movement Disorder Neurologist, "Freezing, Off Time and Dyskinesia" and "Essential Tremors 101"
- Cindy Kuykendall of Abbott Brain Therapy, "Advances in Deep Brain Stimulation and Remote Programming"

FREE *Education & Services*

Visit vendor booths representing local and regional pharmaceutical companies providing information on drugs, DBS, and DaTscan information for Parkinson's; medical specialists, specialized medical equipment and services, and more. Plus, enjoy two exercise breaks with Brenda Mazanec leading PWR! Moves and Rock Steady Boxing sessions.
